**ORDER SUMMARILY
SUSPENDING LICENSE**

Pursuant to G.S. 150B-3(c), the North Carolina State Board of Dental Examiners (Board) finds that the public health, safety, or welfare requires emergency action and hereby summarily suspends License Number 3897 issued to William Boles, Jr., D.D.S. (Respondent), effective upon service of this Order. This action is being taken based on evidence and information obtained during the Board's investigation demonstrating that Respondent currently is unfit to practice dentistry pursuant to N.C. Gen. Stat. § 90-41(a)(7). This evidence includes an affidavit of a board-certified physician, who evaluated and treated Dr. Boles upon referral of the North Carolina Caring Dental Professionals (NCCDP), opining that Dr. Boles is not safe to practice dentistry based on the physician's diagnosis and Dr. Boles repeated failure to comply with numerous continuing care requirements and his NCCDP Agreement.

Based on the information received, the Board finds and concludes that the public health, safety, or welfare require emergency action and the summary suspension of Respondent's license. Therefore, Respondent shall immediately cease the practice of dentistry in North Carolina and surrender his license and current renewal certificate pending further order of the Board.

Formal proceedings in this matter will be promptly commenced and determined if Respondent submits a written request for a formal hearing to the Board. Absent such a written request, a formal hearing will be scheduled as soon as practicable. Respondent will be served with a Notice of Hearing containing the allegations to be heard in accordance with G.S. 150B-38(b).

This the 9th day of March 2018.
