

BEFORE THE NORTH CAROLINA STATE BOARD OF DENTAL EXAMINERS

IN THE MATTER OF:

LESLIE W. GRANGER, D.D.S.)
(License No. 7665))

CONSENT ORDER

THIS MATTER came on to be heard and was heard before the North Carolina State Board of Dental Examiners (Board) pursuant to N.C. Gen. Stat. § 90-41(b), for consideration of a Consent Order in lieu of a formal administrative hearing. A settlement conference was held before the full Board on March 13, 2010. Leslie W. Granger, D.D.S. (Respondent), was represented by Carrie Meigs. Carolin Bakewell represented the Investigative Panel.

While Respondent does not admit for any purposes, other than this disciplinary hearing and any other disciplinary or licensure proceeding before this Board or any other dental licensing Board, the allegations contained in this Consent Order, in order to terminate further controversy and avoid additional proceedings, the Respondent agrees not to contest the allegations set forth within this Consent Order and does furthermore agree to the provisions and sanctions contained herein. Respondent further agrees that any breach or violation of this Consent Order shall constitute an admission of the Findings of Fact and Conclusions of Law as it pertains to the allegations contained herein.

Based upon the consent of the parties hereto, the Board enters the following:

FINDINGS OF FACT

1. The North Carolina State Board of Dental Examiners is a body duly organized under the laws of North Carolina and is the proper party to bring this proceeding under the authority granted it in Chapter 90 of the North Carolina General Statutes (the Dental Practice Act) and the Rules and Regulations of the North Carolina State Board of Dental Examiners (Dental Board).

2. Respondent was licensed to practice dentistry in North Carolina on June 12, 2003 and is subject to the Dental Practice Act and the rules promulgated thereunder.

3. At all times relevant hereto, Respondent was engaged in the practice of general dentistry in Greensboro, North Carolina.

4. On February 23, 2009, Betty Forrest presented to the Respondent's office with a chief complaint of discomfort in tooth number 5.

5. The Respondent examined Ms. Forrest and determined that tooth number 5 had recurrent decay and a large, leaking amalgam filling.

6. With Ms. Forrest's consent, the Respondent prepared the tooth for a crown, took impressions and seated a temporary crown on the tooth.

7. On March 24, 2009, Respondent permanently seated the crown on Ms. Forrest's tooth number 5. The crown on tooth number 5 was seated permanently with open and irregular margins and was over-contoured, resulting in tissue inflammation.

8. The standard of care for dentists licensed to practice dentistry in North Carolina at the time Respondent treated Betty Forrest required that a dentist seat permanent crowns with adequate, closed margins which are not over-contoured.

9. Respondent violated the standard of care for dentists licensed to practice dentistry in North Carolina by failing to seat permanently Ms. Forrest's crown on tooth #5 with adequate, closed margins which were not over-contoured.

10. At the time that the Respondent seated Ms. Forrest's crown, she was aware that it did not meet the standard of care.

11. Shortly after the crown was cemented, Ms. Forrest complained to the Respondent about the crown and asked the Respondent to refund her money.

12. The Respondent declined to refund the entire sum Ms. Forrest paid for the crown.

Based upon the foregoing Findings of Fact and the consent of the parties hereto, the Dental Board enters the following:

CONCLUSIONS OF LAW

1. The North Carolina State Board of Dental Examiners has jurisdiction over the subject matter of this action and over the person of the Respondent.

2. Respondent has stipulated that such allegations, if proven, are legally sufficient to support Findings and Conclusions that she has violated G.S. 90-41 as specified in the Findings of Fact. Furthermore, Respondent has stipulated that, solely for the purposes recited herein, Respondent will not contest the allegations set forth in this Order, which allegations are previously incorporated in this Order, as if fully set forth herein, as Findings of Fact.

3. Respondent's failure to comply with the applicable standard of care in her treatment of Ms. Forrest as set forth in the Findings of Fact was a dereliction from professional duty and constituted negligence in the practice of dentistry within the meaning of G.S. §90-41(a)(12).

4. Respondent's negligent acts constituted a violation of Article 2, Chapter 90, of the North Carolina General Statutes within the meaning of G.S. §90-41(a)(6).

Based upon the foregoing Findings of Fact and Conclusions of Law and with the consent of the parties hereto, it is ORDERED as follows:

ORDER OF DISCIPLINE

1. License Number 7665 issued to Respondent for the practice of dentistry in North Carolina is hereby suspended for a period of one (1) year.

2. With the Respondent's consent, her license to practice dentistry shall be immediately reinstated, with no period of active suspension, provided that, for an indefinite period of time, the Respondent adheres to the following probationary terms and conditions:

- (a) Respondent shall violate no provision of the Dental Practice Act or the Board's rules and regulations;
- (b) Respondent shall submit to interviews by the Dental Board or its authorized agent during regular office hours or at such other times as are mutually convenient. Respondent shall also permit the Board or its agents to interview her employees during regular office hours;

- (c) Respondent shall, within one (1) year from the date of this Order, complete a continuing education course especially designed for her by the University of North Carolina School of Dentistry in conjunction with, and approved by, the North Carolina State Board of Dental Examiners. This will be a comprehensive, remedial course in the preparation and delivery of PFM and all ceramic crowns for pre-molars and anterior teeth. This requirement shall be in addition to the continuing education required by the Board for the renewal of Respondent's dental license. Respondent shall submit to the Board's Deputy Operations Officer written proof of satisfactory completion of this course before it will be accepted in satisfaction of this requirement. It is the Respondent's responsibility to make all arrangements for and bear the cost of this course within the specified time;
- (d) Respondent shall submit to the Board's Deputy Operations Officer all records for the *first* five (5) PFM and all ceramic crowns for premolars and anterior teeth treated in her practice following the completion of the continuing education course as specified in paragraph (c) above. The records submitted must include a copy of the patient chart, treatment plan, models and pre-operative and post-operative radiographs. These records will be forwarded to the Board for review. If the Board determines that the cases presented either individually or collectively demonstrate incompetence or negligence,

Respondent shall, upon written demand, cease and desist from performing further crown work until she has demonstrated her competence to the satisfaction of the Board;

- (e) Within thirty (30) days of the date of this Order, Respondent shall reimburse the Board for the costs associated with its investigation of this matter in the amount of \$550.00;
- (f) Two (2) years from the date of this Order, Respondent may petition the Board for the termination of her probationary status. Respondent, however, shall not be eligible for the termination of her probation until she has successfully completed items (a) through (e) above. At such time, Respondent may petition for termination of probation by submitting such petition to the Board for consideration. At such time, the Board shall be authorized to restore all rights and privileges incident to the license of the Respondent, unless the Board finds that the Respondent has not complied with the terms of probation or has otherwise failed to comply with the laws and rules regulating the practice of dentistry. Should the Board determine that reasonable cause exists for maintaining Respondent's license on a probationary status, the Board shall notify her of its intent to extend the probationary period, and the Respondent may respond to such notification in writing or request an appearance before the Board. In any event, this Consent Order shall remain in effect pending a final

determination by the Board and notification that the probationary period has terminated.

3. If Respondent fails to comply with any provision of this Order or breaches any term or condition thereof, the Board shall promptly schedule a public Show Cause Hearing to permit Respondent to show cause why her dental license should not be suspended. If, as a result of the Show Cause hearing, the Board is satisfied that Respondent failed to comply with or breached any term or condition of this Order, Respondent's license shall be rescinded and, upon written demand, Respondent shall immediately surrender her license and current renewal certificate to the Board for a period of one year. This sanction shall be in addition to and not in lieu of any sanction the Board may impose as a result of future violations of the Dental Practice Act or the Board's Rules.

This the 8 day of June, 2010.
