

BEFORE THE NORTH CAROLINA STATE BOARD OF DENTAL EXAMINERS

IN THE MATTER OF:

MARCIA L. REMENTER, D.D.S.)
(License Number 5456)) **CONSENT ORDER MODIFYING
SUMMARY SUSPENSION
FOR DURHAM PRACTICE**

Pursuant to G.S. 150B-3(c), on February 23, 2016, the North Carolina State Board of Dental Examiners (Board) summarily suspended license number 5456 issued to Marcia L. Rementer, D.D.S. (Respondent), with her consent (Consent Order of Summary Suspension).

Under the Consent Order of Summary Suspension, all Respondent's practice locations were required to close until she could provide the Board adequate evidence and assurances that one or more dentists actively licensed in North Carolina would operate, manage, supervise, control, conduct and be fully responsible for each practice location.

On March 30, 2016, the Board modified the Consent Order of Summary Suspension to permit the Durham practice location to reopen based on a sworn verification from Dr. W. Christopher Claypoole, who agreed to be fully responsible for the Durham practice location currently owned by Dr. Rementer if the Board permitted it to reopen. The verification of Dr. Claypoole was withdrawn soon thereafter on April 15, 2016 before the Durham Practice reopened.

Through Counsel, Dr. Rementer has submitted the sworn verification from Dr. Erfan Imeni, D.D.S. dated August 29, 2016, which is attached hereto. Based on Dr. Imeni's affidavit, the Consent Order of Summary Suspension is hereby modified to permit the Durham practice, located at 3811 North Roxboro St., Durham, NC 27704, to

reopen effective upon entry of this Order, as long as Dr. Imeni remains the responsible dentist for that practice location consistent with the terms of his sworn verification, and absent further order of the Board.

This the 12th day of September, 2016.

Clifford D. Feingold, D.D.S.
Presiding Officer
